

2017 VEX ROBOTICS WORLD CHAMPIONSHIP OVERVIEW

Experience the excitement and energy of the VEX Robotics World Championship! Officially recognized by the Guinness World Records as largest robotics competition on earth, this week-long competitive robotics event brought together more than 1,400 of the best VEX Competition teams, leading technology companies, and volunteers to celebrate these young students' achievement in STEM. Through this video we aim to show that robotics is a universal language that has the power to change lives and culture for the greater good.

EVENT DESCRIPTION

The [2018 VEX Robotics World Championship](#), presented by the Northrop Grumman Foundation, brings together top robotics teams in the VEX IQ Challenge, VEX Robotics Competition, and VEX U under one roof to celebrate their accomplishments and participate with the best teams from around the world. The event includes top teams from events happening in cities around the world from June 2017 to March 2018. Teams will play the current VEX Robotics Competition game, In the Zone.
