Question 3 of 7

Question 3

4 points

Saved

Match the following perspectives with the statement that best explains how it views culture in intercultural communication studies.

**\*NOTE: Each perspective matches only ONE of the statements. i.e., you should not select the same answer for more than one statement.**

C.

Researchers using this perspective focus on the influence of culture on communication rather than on culture per se. There is less attention paid on how culture is conceptualized.

A. Interpretive perspective

B. Critical perspective

C. Social Science Perspective

A.

Researchers using this perspective focus on how cultural contexts influence communication.

D. Dialectical perspective

B.

Researchers from this perspective are focused on culture as the way that people participate in and/or resist society's structure.

D.

Researchers from this perspective believe that the best approach to understanding the complexities of intercultural communication is to view the concept of culture from different perspectives.
