2017 VEX ROBOTICS WORLD CHAMPIONSHIP OVERVIEW

Experience the excitement and energy of the VEX Robotics World Championship! Officially recognized by the Guinness World Records as largest robotics competition on earth, this week-long competitive robotics event brought together more than 1,400 of the best VEX Competition teams, leading technology companies, and volunteers to celebrate these young students' achievement in STEM. Through this video we aim to show that robotics is a universal language that has the power to change lives and culture for the greater good.
